

Opening Worlds of Possibilities for Michiana's Children

PBS KIDS helps prepare children for success in school and life

PBS aims at making a powerful difference in the lives of America's children through high-quality, educational content. The number-one children's educational media brand continues to push boundaries on innovation in teaching and learning across all platforms, including PBSLEARNINGMEDIA.ORG – which provides access to thousands of classroom-ready, curriculum-targeted digital resources such as videos, interactives, documents and in-depth lesson plans. The basic service is free for PreK-12 educators.

PBS KIDS offers all children the opportunity to explore new ideas and new worlds through television, online, mobile and community-based programs. Parents, check out PBSPARENTS.ORG for information on child development and early learning through educational games and activities inspired by PBS KIDS programs.

PBS provides innovative, cutting-edge platforms that are safe for kids of all ages
