Amanda Miller Kelley President and General Manager PBS Michiana – WNIT

Dear Friends of PBS Michiana – WNIT,

I'm honored and excited to step into my new role as President and General Manager at PBS Michiana – WNIT. Our mission remains clear: to educate, entertain, inform, inspire and unify the community we serve.

This year, I hope you'll pay special attention to our educational outreach and children's programming. We believe in fostering young minds with content that encourages learning and creativity. From classics like *Sesame Street* to new shows like *Carl the Collector*, we provide every child with access to quality programming that helps them learn and explore.

We're also committed to telling the stories of our community, shining a spotlight on the people, places, organizations and issues that matter the most to Michiana. Through local documentaries, digital shorts highlighting community jewels, and in-depth looks into education and the economy, PBS Michiana is your trusted source for community-driven content that reflects the heart and soul of our region.

And for what's coming next, I have something exciting for the drama lovers: *Wolf Hall: The Mirror and the Light*. If you want to be transported to the Tudor court and get to know the powerful world of Thomas Cromwell and King Henry VIII, this is the show for you. I hope you'll tune in for this extraordinary historical drama.

If you are a DIY-er, you will love our new programming from Create® TV on PPBS Michiana – WNIT2 (34.2), airing daily from midnight to 5:30pm. The program genres seen on Create® TV include public television viewers' favorites and specials on food, travel, home & garden, arts & crafts, fitness and other lifestyle interests.

PBS Michiana – WNIT depends on a combination of funding sources, with about 25% coming from federal dollars. While this funding can be uncertain, we are grateful for the support of friends like you, which allows us to keep our programming free and accessible to all. Consider making a donation to PBS Michiana during "Protect My Public Media Day" on March 6.

Thank you for being an essential part of the PBS Michiana – WNIT family. I look forward to sharing many more stories with you!

Sincerely,

A handwritten signature in cursive that reads "Amanda".

Amanda Miller Kelley

Call for POETRY

In November, PBS kicked off an interactive scavenger-hunt type experience around the program *Mexico Made With Love*. One of our members won a prize from PBS. After reviewing his responses to some of the questions they asked I find myself compelled to remind everyone why we do what we do every day!

Congratulations to Brad!

The Michigan Learning Channel (MLC) is a statewide public television partnership offering instructional content to support the education of students and to provide alternative resources for families and teachers.

PBS Michiana KIDS Welcomes Libraries!

This preschool library program makes it fun for families of young children to learn computational thinking (CT). It builds on Work It Out Wombats!™, that features three energetic marsupial siblings who solve problems in creative ways using computational thinking (CT). What's special about the Work It Out @ Your Library program is that the learning takes place both in the library and in families' homes.
